

Toyota Manufacturing UK Charitable Trust **Application for use of our Toyota Proace**

The Toyota Manufacturing UK Charitable Trust annually raises funds through employee and corporate fundraising for donation to local charity, local organisations and good causes.

In addition, we are lucky to possess a Toyota Proace which is available for use by local charities and organisations who benefit the areas of road safety, health or social deprivation.

Charities and organisation can apply for use of our Proace for a maximum of two months. Please bear in mind that the Trust has criteria in place and may receive more requests than we are able to satisfy so, ultimately, we must make difficult choices.

Before completing the application, please review your eligibility. If you do not meet the criteria, we recommend you do not apply.

Please return completed application forms to Julie Langley, External Relations by post or, alternatively, email to Julie.langley@toyotauk.com.

All applications will be acknowledged and, if successful, will be advised within two weeks.

We wish you every success with your application.
