Toyota Manufacturing UK Charitable Trust
Donation Application 2026

The Toyota Manufacturing UK Charitable Trust annually raises funds through employee and corporate fundraising for donation to local charities and organisations as well as good causes.

At the end of 2026, part of the donation fund will be available. Donations will be made within our local communities around Burnaston, Derbyshire and Deeside, North Wales.

Please bear in mind that the Trust has criteria in place and may receive more requests than we are able to satisfy so, ultimately, we must make difficult choices.

Before completing the application, please review your eligibility to apply. If you do not meet the criteria, we recommend you do not apply.

For donation consideration, please return your completed form by post to Julie Langley in the External Relations Team.

Alternatively email to Julie.langley@toyotauk.com by Friday 1st January 2027. All applications will be acknowledged, and successful applications will be advised and notified of the fund donation in mid-February 2027. Please be aware that cheques will not be awarded until March 2027 at our annual Cheque Handover Ceremony. It is expected that some-one from your organisation will attend this event to collect your cheque.

We wish you every success with your application.
