Toyota Manufacturing UK Charitable Trust

Application Criteria 2026

To be eligible to apply for a donation, your charity must comply with the following criteria: -

- You must be a charitable organisation, community interest company or similar organisation and have been established for a minimum of one year.

- Your charity must benefit a number or group of individuals.

- Your work and beneficiaries must be situated within a 20-mile radius of the plant – in the counties of Derbyshire, Leicestershire, Nottinghamshire or Staffordshire.

  or

- Located within Flintshire, Cheshire, Wrexham and Denbighshire.

- Your organisation should benefit the area(s) of road safety, health or social inclusion/deprivation.

- Your organisation should be without political connection and, if representing a religious group, the group must represent multi faiths.

- Your organisation must be able to cash any donation within three months of the award.

- Your organisation must not have received an award from the Trust for more than two years in succession.
