

Your guide to applying for use of our Toyota Proace

What is the Toyota Manufacturing UK Charitable Trust?

The Toyota Manufacturing UK Charitable Trust formed in 2008 with the aim of supporting the local community through registered charities.

In addition to financial donations, our Proace is available for use, free of charge, for those charities or organisations supporting our key focus areas of road safety, health and social deprivation.

Who can apply to use our Proace vehicle?

Our Proace is available to charities registered with the Charities Commission, or those organisations with an annual income of less than £5,000, who match our criteria for support (see application criteria).

The loan period is a maximum of 2 months. Please be aware that terms & conditions apply.

How to apply?

Please complete and return an application to:

Julie Langley, External Affairs Team, Toyota Manufacturing UK Charitable Trust, Toyota Manufacturing UK Ltd, Burnaston, Derbyshire, DE1 9TA.

The application form is pdf format. However, should you require a copy in word format, please contact Julie by telephone on 01332 283611.
